

Georg-August-Universität Göttingen Module M.WIWI-BWL.0129: International Management Research Seminar	6 C 2 WLH
Learning outcome, core skills: In this research seminar, the Master students should work independently and systematically on a research question. The participants can choose one of the current themes from the area of "International Management" or choose their own research topic from a related field. After taking this module, the participants should have improved their communication and presentation skills. Furthermore, students will better understand the research process that can serve as a guide for producing scholarly output (e.g., a Master's thesis or a journal article) after participating in this class. Students will have gained valuable knowledge and skills that should prepare them for writing their own thesis.	Workload: Attendance time: 28 h Self-study time: 152 h
