

<b>Georg-August-Universität Göttingen</b>		12 C 4 WLH
<b>Module M.WIWI-HGM.1002: History of Global Markets II</b>		
<b>Learning outcome, core skills:</b> Students will be able to critically discuss and analyze the structures of global capitalism and the history of transnational economic flows. In class presentations and written term papers they will learn to identify major problems of transcultural economic processes and to apply this theoretical and contextual knowledge to the analysis of specific historical case studies.		<b>Workload:</b> Attendance time: 56 h Self-study time: 304 h
<b>Course: Intensive Module in the History of Global Markets (Seminar I)</b> <i>Contents:</i> Emphasizing specific regions, themes or time periods, the courses will familiarize students with basic aspects of the development of global market structures in the 19th and 20th century. The seminars will emphasize questions of global migration, labor markets, management and marketing history. Texts and discussion will focus on current historiographic research and its application to the analysis of globalization processes.		2 WLH
<b>Examination: Term paper (max. 20 pages) with presentation (approx. 15 minutes)</b> <b>Examination prerequisites:</b> Regular attendance.		6 C
