

Georg-August-Universität Göttingen Module M.EuCu.19: Eurocompetence I: Studying and Working in Europe	5 C 2 WLH
Learning outcome, core skills: This is the first of three seminars in the "Eurocompetence"-scheme. It is to prepare students for a future employment in professional as well as academic occupational fields in the European context. In order to do so, the students acquire the competences in the application of research techniques, training and presentation skills. Moreover, the students gain the ability to process complex matters to improve communication-, expression- and discussion-skills. They acquire competences in the application of research techniques, academic writing, training and presentation skills. A special focus is placed on working in a multi-cultural team as well as in an interdisciplinary context. Excursions relevant to this specific module and potential internship opportunities by visiting our placement providers and partners is an integral part of this course.
