Module M.EuCu.31: ResearchLab: Imagining Europe Differently		
Learning outcome, core skills: As part of the Research Track, this seminar is to open a space for students to critically assess approaches to current challenges from an interdisciplinary perspective. Students are asked to identify challenges they want to deal with in the seminar (i.e. climate change or migration). They will pool their knowledge from their respective backgrounds to reflect upon and discuss the issues at hand. They are to apply their knowledge, expertise and methodological skills in order to frame the challenges and see how they have been dealt with. Then they, can conceptualize alternative approaches and solutions.		Workload: Attendance time: 28 h Self-study time: 122 h
